

Mission Statement: *Let Nothing Go to Waste.*

About Us: National Salvage Brokers is a leading salvage company with deep roots in the insurance, manufacturing, and retail sectors. Our mission, "Let Nothing Go to Waste," drives us to find value in every asset, ensuring that nothing is discarded without exploring its potential for reuse, repurposing, or recycling.

Core Services:

1. **Asset Recovery:** We specialize in recovering valuable assets from various sources, including overstock, damaged goods, and end-of-life products.
2. **Recycling and Repurposing:** Our innovative processes ensure that materials and products are recycled or repurposed, contributing to a circular economy and reducing environmental impact.
3. **Insurance Salvage:** We work closely with insurance companies to salvage goods from claims, minimizing losses and maximizing recoveries.
4. **Manufacturing and Retail Solutions:** We assist manufacturers and retailers in managing surplus inventory, returns, and damaged goods, turning potential waste into valuable resources.

Target Market: Our services cater to a wide range of industries, including insurance companies, manufacturers, retailers, and other businesses looking to manage and monetize surplus or damaged assets.

Unique Aspects:

- **Sustainability Commitment:** At National Salvage Brokers, we are committed to sustainable practices. Our operations are designed to minimize waste and promote environmental responsibility.
- **Extensive Network:** With a robust network of industry partners and clients, we can efficiently manage and distribute salvaged assets, ensuring maximum value recovery.
- **Expertise and Experience:** Our team of seasoned professionals brings a wealth of experience in salvage operations, asset recovery, and environmental stewardship.
